Year 3 Iron Man Topic Homework Bingo (Purple)

Alongside your **daily reading**, **spelling** and **times tables (Times Table Rock Stars)** practice, we challenge you to also complete the below activities over the half term. For creative or practical tasks, please share photos of your work (if you can't physically bring the items into school).

<table>
<tr>
<td>Science
Where can you find magnets used in your house? Make a list or take photos of them. How are they used.</td>
<td>Art
Iron Age Pottery Design: Create a design for a clay pot using Iron Age patterns. You can draw it on paper or use salt dough.</td>
<td>Writing
Write a story about a robot made from a different material other than metal. What would happen if you discovered it? How would you react?</td>
<td>Random
Draw traditional clothing from different continents (e.g., Hanbok from Asia, Maasai attire from Africa).</td>
<td>Music
Using what you know about rhythm and notes, create your own clapping rhythm to share with the class.</td>
</tr>
<tr>
<td>Everyday number
Help an adult with the weekly shop. Can you work out what you have spent by using column addition.</td>
<td colspan="3" rowspan="2">

• Complete 4 activities – 10 house points
• Complete 8 activities – 20 house points
• Complete 12 activities – 30 house points
• Complete the whole grid to earn a special reward!</td>
<td>Physical
Iron Age Warrior Moves: create a short "warrior workout" routine (e.g. stomping, spear throws, shield blocks) and perform it at home or in front of the class.</td>
</tr>
<tr>
<td>Science
Go for a walk around your neighbourhood. Find things made from metal that the iron man would eat.</td>
<td>Creative
Learn a dance from one of the seven continents.</td>
</tr>
<tr>
<td>Practical
Build yourself a sustainable robot from materials you would be throwing away.</td>
<td>Geography
Find out about one of the continents and write a fact file about it using bullet points. Try to include information about animals found there.</td>
<td>Researcher.
Find 10 interesting facts about the Iron Age.</td>
<td>Personal Skill
Spend time on your own hobby and think of three things to share with the class about it.</td>
<td>Maths
Create your own set of flashcards to help you learn your times tables.</td>
</tr>
</table>
