

Homework Bingo - Spring 2 - Turquoise

Spelling Practise your spellings and write them in alphabetical order!	Writing Can you write a letter to a favourite toy? Tell them why they are your favourite and how they make you happy.	Reading Log on to Reading Eggs and read one book a week - can you answer the questions and decorate the reading journal?	Spelling How many of your spellings can you find in your reading book? Can you copy the sentence that they are written in?	Writing Imagine that your favourite toy came to life - write an adventure story about it - where would it go, what would it do?
Maths Go on a 3D shape hunt around your local area - can you sketch and label what you can see?	Maths Write some addition and subtraction questions for a family member to solve.	Maths Design an Easter egg with a repeating pattern using 5 different shapes or colours.	Maths Can you roll two dice to make a 2-digit number? Can you find 10 more and ten less than this number? Repeat until you have rolled 10 numbers.	Maths Interview your friends and family about the pets they have and record this - which is the most popular pet? Which is the least popular pet? Can you make a bar chart to show your data? What is the difference between the most popular pet and least popular pet?
DT Design a new outfit for an old toy - can you make this outfit using materials from home?	Writing Can you write a fact label for some of your favourite toys and create a museum of toys at home? Ask family members to come and visit.	<u>Out and about</u> Visit The Museum of Childhood and see their amazing collection of artefacts.	Science Grow and look after a plant of your choice! Keep a diary of your plant.	PHSE Make a list of things in your home that could be dangerous. Discuss with a grown up how to keep safe.
DT Can you design and make a whole sock puppet family? Ask some friends or family members to act out a story with them. You could design a backdrop for the story as well.	PE Skipping! Can you skip? If so, get someone to count how many jumps you can do with a skipping rope. If not, can you ask someone to help you learn how to skip with a skipping rope?	Art Using paints, pens, pencils or collage materials can you draw a springtime picture? Take a walk to a park and see what signs of spring you can find.	Speaking and listening Interview as many family members as you can. What toys did they have when they were little - do they still have them? Write down their responses.	Free choice Use this box to share something else you have done to help with your learning.
