

### Homework Bingo - Spring 2 - Turquoise

<b>Spelling</b> Practise your spellings and write them in alphabetical order!	<b>Writing</b> Can you write a letter to a favourite toy - tell them why they are your favourite and how they make you happy.	<b>Reading</b> Log on to Reading Eggs and read one book a week - can you answer the questions and decorate the reading journal.	<b>Spelling</b> How many of your spellings can you find in your reading book? Can you copy the sentence that they are written in?	<b>Writing</b> Imagine that your favourite toy came to life - write an adventure story about it - where would it go, what would it do?
<b>Maths</b> Go on a 3d shape hunt around your local area - can you sketch and label what you can see.	<b>Maths</b> Write some addition and subtraction questions for a family member to solve.	<b>Maths</b> Design an Easter egg with a repeating pattern using 5 different shapes or colours.	<b>Maths</b> Can you roll two dice to make a 2-digit number - can you find 10 more and ten less than this number - repeat until you have rolled 10 numbers.	<b>Maths</b> Interview your friends and family about the pets they have and record this - which is the most popular pet? Which is the least popular pet? Can you make a bar chart to show your data? What is the difference between the most popular pet and least popular pet?
<b>DT</b> Design a new outfit for an old toy - can you make this outfit using materials from home?	<b>Writing</b> Can you write a fact label for some of your favourite toys and create a museum of toys at home? Ask family members to come and visit.	<u>Out and about</u> Visit The Museum of Childhood and see their amazing collection of artefacts.	<b>Science</b> Grow and look after a plant of your choice! Keep a diary of your plant.	<b>PHSE</b> Make a list of things in your home that could be dangerous. Discuss with a grown up how to keep safe.
<b>DT</b> Can you design and make a whole sock puppet family? Ask some friends or family members to act out a story with them. You could design a backdrop for the story as well.	<b>PE</b> Skipping! Can you skip? If so, get someone to count how many jumps you can do with a skipping rope. If not, can you ask someone to help you learn how to skip with a skipping rope.	<b>Art</b> Using paints, pens, pencils or collage materials can you draw a springtime picture? Take a walk to a park and see what signs of spring you can find.	<b>Speaking and listening</b> Interview as many family members as you can. What toys did they have when they were little - do they still have them. Write down their responses.	<b>Free choice</b> Use this box to share something else you have done to help with your learning.
