

Reception Homework Bingo Summer 1- Honeydew

Select at least three activities to complete a week, colour each activity when completed. Can you get a completed row?

You can earn house points for each completed row or column. *Parents - You can put as much detail into each task as is appropriate for your child.*

<p>Spelling Word games - play Hangman or make up anagrams (where the letters of each word are all scrambled up).</p>	<p>Reading Remember to read every day. This helps you to widen your vocabulary and to absorb the spelling of new words!</p>	<p>Writing Write the alphabet first using capital letters then using lower case letters.</p>	<p>Practical Can you move like a minibeast? Practise: Scuttling like a spider. Slithering like a snail. Hopping like a cricket. Creeping like a caterpillar. Fluttering like a butterfly. Buzzing like a bumblebee. Can you think of anymore?</p>	<p>Maths Number bonds to 10: describe two numbers that together make 10. For example, 5 and 5 or 9 and 1.</p>
<p>Practical Can you find:</p> <ul style="list-style-type: none"> • A plant with leaves that aren't green? • A plant growing somewhere unusual, for example in a crack in the pavement or the walls of a house? • A plant that is taller than you? • A plant with flowers that are more than one colour? • A plant with spikey leaves? • A plant that smells nice? • A plant that bees like? 	<p>Spelling Ask a grown-up to write out some tricky words onto small pieces of paper, fold them up and place them in a container. Pull out a word and copy it onto paper or a whiteboard.</p>	<p>Maths Go on a 3D shape hunt around your house. What 3D shapes can you find? Can you find some cuboids of different sizes? How do you know that they are cuboids? Sort the items into groups. How did you sort them? Could you sort them in a different way?</p>	<p>Writing Play a game with your grown up. Ask your grown-up to read a tricky word, digraph sound or trigraph to you. Can you write the word or sound down? You could use different colours.</p>	<p>Reading Read and find the digraphs and trigraphs in a book and think of a word that includes each sound.</p>
<p>Maths First, Baker Bear had 18 cakes to sell in his shop. Then, he sold some. Now, he has 9 cakes left. How many cakes did Baker Bear sell? How do you know?</p>	<p>Writing Write both your names and ask for help to write your address.</p>	<p>Practical Using materials you have at home, can you build a chair for one of your teddies? Make sure he's comfortable! You could use toys like Lego or building bricks or you could recycle old boxes and bottles. If you wanted to make it really challenging, see what you can do using just paper and sticky tape!</p>	<p>Reading Ask an adult at home to ask you questions about a book you have read. How well can you answer their questions?</p>	<p>Spelling Ask a grown up at home to test you on some of your tricky words. How many can you spell correctly?</p>
<p>Reading Read a non-fiction book about Space and the planets. Can you tell an adult two facts you have learned?</p>	<p>Practical Build a rocket using any materials of your choice.</p>	<p>Spelling Spell each of the days of the week in the correct order.</p>	<p>Maths Can you take turns and count all the way to 20? Can you count backwards too? Try starting at 20 and take turns to count down to zero.</p>	<p>Writing Can you draw and label the planet names in the correct order as they are in the solar system?</p>
<p>Writing Write a list of things you would take to space with you in your rocket.</p>	<p>Maths Use both hands to grab two handfuls of dried pasta. How many pieces are in each hand? Put the two handfuls together. How many pasta pieces are there in total? Repeat with different amounts.</p>	<p>Reading Can you read the signs and labels when you go to the shops with your grown up?</p>	<p>Spelling Can you spell the month of your birthday? How many more can you spell?</p>	<p>Practical Talk at home about eating the right foods, keeping clean and looking after your teeth, practise some exercising! Choose a song on and see if you can dance energetically all the way through!</p>

Reception Homework Bingo Spring 2 - Mango

Select at least three activities to complete a week, colour each activity when completed. Can you get a completed row?

You can earn house points for each completed row or column. *Parents - You can put as much detail into each task as is appropriate for your child.*
