Sustainability with a Local Focus

We believe that true sustainability starts at the local level. By supporting eco-friendly initiatives, sourcing responsibly and engaging with our community, we create lasting positive change.

We aim to send out the majority of our communications via MCAS / online to reduce our printing and photocopying footprint.

WELCOME BACK!

It's a new school year...

A very warm welcome to the new academic year! I hope you all enjoyed a restful summer and are as excited as we are to begin another year of learning, growth and achievement. Whether your child is joining us for the first time or returning after the break, we are delighted to welcome all our families back to our school community.

We are committed to working in partnership with you to support your child's development. Communication is key, so please look out for our regular newsletters, updates on MCAS, Instagram and our website for information on upcoming events. If you have any questions or would like to get involved, our doors are always open. Let's make this year a fantastic one, filled with curiosity, kindness, and achievement!

Finally, congratulations to our newly appointed Sports Captain Prefects. It's lovely to see you already so keen and excited to lead your teams and get involved this year.

Upcoming Events...

Maths RockStar Day - On this day, we invite all children and staff to Go Rock! and dress up as rock musicians, whilst we re-launch TT Rockstars for the year and begin some inter class maths battles. Be as creative as you want with outfits, but please ensure all children are wearing safe, sensible shoes.

Sponsored Shootout/Bounce

As part of our first Team Challenge Day of the year, which will have an active sports focus, we are inviting all children to take part in a sponsored challenge to help the PTA raise funds for new, in-ground basketball posts for our newly marked courts. Look out for the sponsorship forms coming home soon!

KEY NEWS:

WINNERS

Well done to Badgers & KP4 for having the highest class attendance this week!

HOT DINNERS?

Please ensure you book dinners in advance via MCAS. They can be booked up to three weeks in advance.

ATTENDANCE

Being in school, on time, every day matters. For children to learn and thrive to reach their potential, they need to be in school. If a child needs medication 4 or more times a day, we can administer this in school. Children can attend school if they have low-level colds and coughs, we will look after them. Only if sick / diarrhoea should children stay off for 48 hours.

Dates for the diary...

PLEASE REMEMBER, WE ARE...

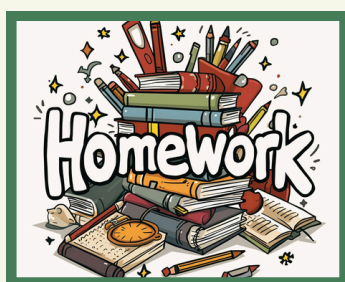

September:

- Wed 24th Maths Rockstar Day
- Thurs 25th Team Challenge Day (children to come into school in PE kits)

- Fri 17th PTA Spooky Spoons Competition
Harvest Festival & End of Half Term

Recent Updates:

Homework

All children have been sent home with a new homework book and BINGO challenges to complete over the half term. Remember to bring in your activities to share with your teachers.

MCAS

Please use MCAS to book dinners and clubs. Please also check announcements (which are sent out regularly) to do this, make sure you have your alerts turned on.

Playground Safety

Please ensure when collecting at the end of the day, you stay behind the coned lines so that children can be safely get onto the playground and be sent to their parents; it is hard to see if too crowded.
