All pupils are expected to attend Richmond in full school uniform. We appreciate that there may be times or economic reasons for some non-compliance. If there are financial reasons please speak to Mrs Dorrell or Mrs Treveil, our learning mentors. Please ensure all uniform is labelled with your child's name including shoes and all P.E. kit, including swimming kits.

P.E. Kit

P.E. is a compulsory part of the curriculum and children are expected to have a P.E. kit to change into as part of the weekly timetable. All children will participate in the physical activity curriculum, unless a class teacher receives parental communication regarding a particular reason for their child not taking part that week.

PE Kit

House PE Shirt (with school logo optional)
(please refer to welcome letter for notification of your child's house team)
Green Shorts
Plimsolls or soft trainers

Optional

Green Jogging bottoms and green sweater with the school logo (for the winter season)
Green PE bag with the school logo

Your child must be able to take out their earrings as earrings MUST be taken out before PE takes place. Your child will not take part in physical activity if they cannot take earrings out and this includes swimming lessons and after school physical activity clubs too. We **strongly** recommend that if you intend to have your child's ears pierced this is done during the summer holidays to ensure earrings can be taken out during the school term.
