

Year 1/2 Animal Topic Homework Bingo- Turquoise

Alongside your **daily reading**, **spelling** and **times tables (Times Table Rock Stars)** practice, we challenge you to also complete the below activities over the half term. For creative or practical tasks, please share photos of your work (if you can't physically bring the items into school).

<p><u>Practical</u> Create a collage picture of an animal that lives in Africa. Use a range of materials that may feel like the animal.</p>	<p><u>Writing</u> Write a riddle about an animal. Make sure to give clues before revealing the answer. Start with 'Who am I?'</p>	<p><u>Writing</u> Write a fact file about one of the Big 5. Include 10 facts and draw exciting pictures to make it interesting.</p>	<p><u>Practical</u> Make a 3D model of an animal – use any materials you can find in your house.</p>	<p><u>Maths</u> Find a fun recipe to create a delicious dessert. Use scales to weigh out the ingredients. Take photos of you weighing it all.</p>
<p><u>Practical</u> Find out which animals are in the Big 5 and draw a picture of your favourite one. Explain why you have chosen the animal and label each part of the animal.</p>	<div style="display: flex; align-items: center;"> <div style="border: 2px solid yellow; padding: 5px; margin-right: 10px;"> <ul style="list-style-type: none"> Complete 4 activities – 10 house points Complete 8 activities – 20 house points Complete 12 activities – 30 house points Complete the whole grid to earn a special reward! </div>  </div>		<p><u>Maths</u> Drawing on a clock face, create a diary of the times you: brush your teeth, eat lunch and dinner and the time you get up in the mornings.</p>	
<p><u>Science</u> Make a balanced and healthy meal for your family. Think about the different food groups and try to get as much colour into your meal as you can.</p>			<p><u>Writing</u> Write a story about an animal on an adventure. Make it fun and descriptive. It should have an exciting beginning, middle and end.</p>	
<p><u>Music</u> Compose a song that sounds like a wild theme using incredibox.com. Explain your inspiration.</p>	<p><u>Maths</u> Measure the heights of each of your family members. Who is the tallest? Who is the shortest?</p>	<p><u>Practical</u> Create a jungle landscape including animals that you would find in the jungle.</p>	<p><u>Maths</u> Measure the furniture in your living room. Which is the tallest item? Which is the shortest?</p>	<p><u>Practical</u> Design and create an exercise circuit that you could use with your family. Don't forget to warm up and cool down. Make the activities fun and engaging.</p>
