

Homework Bingo – Summer 1

In addition to daily reading and practising times tables and spellings throughout each week, we challenge you to also complete the below activities over the half term. You can earn house points or prizes for completing tasks. For creative or practical tasks, please share photos of your work (if you can't physically bring the items into school).

Practical activity

Design and make a prehistoric dinosaur habitat using a shoe box and other collage materials.

Writing activity

Write 3 extended sentences about what you see in each of the 4 seasons.

Practical activity

Create a map of your route to school – can you include interesting features? What do you see along the way?

Maths activity

Can you find three things in your house and sort according to weight, length or height?

Practical activity

Create a healthy meal for a dinosaur! What sort of foods would he need in a packed lunch?

Writing activity

Create a leaflet about one of your favourite places in your town – what do you like about it – what would other visitors enjoy?

Practical activity

Can you paint or draw a picture of the view from your window?

Maths activity

TT Rockstars – can you beat your teacher in a TT Rockstars challenge? Log on to find out!

Practical activity

Make a 3D model of a dinosaur using recyclable materials. You can even try creating a new species of dinosaur!

Writing activity

Can you create a history for your dinosaur?
Name/family/likes/habitat?
Be as creative as you can!

Practical activity

Create a scene of your perfect day – what do you like to do – where do you like to go – who do you like to visit?

Free Choice! Tell us something interesting about you! Maybe you can prepare a dance/song or show and tell something you enjoy doing!
