

Year 3 Stone Age Topic Homework Bingo (Purple)

Alongside your **daily reading**, **spelling** and **times tables (Times Table Rock Stars)** practice, we challenge you to also complete the below activities over the half term. For creative or practical tasks, please share photos of your work (if you can't physically bring the items into school).

<u>Science</u> Find out about how stone age man used fire. Can you write down 3 interesting facts about it?	<u>Art</u> Draw or paint symbols onto stones (fire, sun, water etc) and use them to make up a story.	<u>Writing</u> Make a list of things you want to learn about the stone age.	<u>Practical</u> The wheel was invented during the Stone Age. What is a wheel used for? Build something that uses a wheel/wheels.	<u>Music</u> What natural objects would stone age man use to make music? Think bone, wood, stone etc. What would the music sound like? Can you make some sounds with these materials?
<u>Every day number</u> Go for a walk to the end of your road and add up the numbers of the houses. If they're big numbers write them on a bit of paper and add them up at home.	• Complete 4 activities – 10 house points • Complete 8 activities – 20 house points • Complete 12 activities – 30 house points • Complete the whole grid to earn a special reward! 			<u>Physical</u> Go for a long walk somewhere like a park, the woods or along the beach and imagine if it would be the same in Stone Age times. Where would stone age people make a shelter, what would they eat here, where would they find water?
<u>Science</u> Go to the park, the beach or look in your garden for different types of stones and rocks. How many different ones can you find?				<u>Games</u> Play stone age charades. Act out different activities from the Stone Age like hunting, fishing etc. Don't speak! Can your audience guess the action?
<u>Practical</u> Create a stone age shelter using natural materials and explain why you chose those materials.	<u>Geography</u> Use the internet to find out about places in the world where stone age cave paintings or carvings have been found.	<u>Researcher.</u> Research and prepare a stone age or iron age dish.	<u>Personal Skill</u> Spend time on your own hobby and write down three things to share with the class about it.	<u>Maths</u> 3x table challenge. What things can you find in the house that you could group in 3's?

Year 3 Stone Age Topic Homework Bingo (Blue)
